A Message from the Director

The Office of Public Safety’s goal is to provide a safe and secure environment for our students and community. The traffic and parking regulations contained in this guide are designed to assist you in driving and parking safely on the Saint Mary of-the-Woods College campus with minimal difficulty and inconvenience. Your cooperation in abiding by the regulations will assist the institution with making traffic control and parking safe and easy for everyone.

Greg Ewing
Director of Public Safety
Registering Vehicles
Any vehicle that will be used as transportation to and from campus must be registered with the Office of Public Safety.

Parking Permit
All students, faculty, and staff must have a current and valid College Parking Permit at all times to park on campus. PARKING PERMITS ARE ISSUED TO INDIVIDUALS, NOT VEHICLES.

Motorcycle Permits
All students, employees, or College-related personnel must have a permit to park a two-wheeled motorized vehicle (motorcycle, scooter, or moped) on campus. Motorcycles must be parked following the same guidelines as other vehicles. Motorcycles must be parked in a parking space. Motorcycles parked on sidewalks may be towed.

Bicycle Permits
Bicycles shall be registered to be parked on campus. A bicycle permit will be issued at no cost. Bicycles must be properly parked in bicycle racks. Bicycles locked on railings or trees, parked in hallways or areas that block walking traffic, or located in a spot where they may become an obstacle for emergency evacuation or physical plant workers, will be removed.

Use of Parking Permits
The Parking Permit must be displayed by hanging the Parking Permit behind the rearview mirror of the vehicle being parked. The Parking Permit may be transferred to any vehicle owned or registered by the Parking Permit holder and still be valid. It is the Parking Permit holder’s responsibility to move the Parking Permit from one vehicle to another. Failure to move the Parking Permit is not a valid reason for parking on campus without a Parking Permit. A temporary Parking Permit may be obtained from the Office of Public Safety for use when this situation occurs. A lost or stolen Parking Permit can be replaced by visiting the Office of Public Safety.

How to Acquire a Parking Permit
You must register for your Parking Permit by going to the appropriate WoodsNet Hub and entering your campus credentials.

Student Hub: WoodsNet - Student Hub
Faculty & Staff Hub: WoodsNet - Faculty & Staff Hub

Applicants will be issued color-coded parking permits indicating the specific parking areas for which they are eligible to park. The individual’s parking permit classification will be determined by the Office of Public Safety according to college policies.

Violations and Penalties
In the interest of providing adequate parking for all College constituents, parking regulations will be vigorously enforced. (See violation fee schedule)

Paying a citation is the responsibility of the person in whose name the permit is registered with the Office of Public Safety. Motor vehicle regulations shall also apply to the spouse, partner, and dependents of the registrant.

Any person feeling that his or her vehicle has been unjustly ticketed may appeal. Appeal forms may be completed online at www.smwc.edu/parking-info within 10 days after issuance of the ticket or the right to appeal is forfeited.

Lack of a convenient space is not a valid excuse for parking in violation of regulations.

If your appeal is denied, and further appeal is requested, your original appeal form will be forwarded to the Parking Citation Appeals Board for further consideration.
Habitual Parking Offender: Any student, College employee, or College-related employee who receives 5 or more citations during a permit year may be classified as a habitual parking offender. Habitual offenders of the parking regulations will result in the use of a vehicle-immobilizing device. A removal fee of $50 must be paid at the college business office prior to the devise being removed.

Fines are payable upon receipt of a citation. Payment of parking fines can be made Monday through Friday, 8:30 a.m. to 4:30 p.m. in the Business Office, Room 233, Guerin Hall. Student citations will be charged to their student account upon identification of the receiver of the citation. Employee citations will be forwarded to the Business Office for collection of fines upon identification of the receiver of the citation. Unpaid employee fines will be forwarded to the Office of the Vice President for Finance and Administration.

Towing Policy: Vehicles may be removed from campus properties under the following circumstances: repeated violations of parking regulations, blocking vehicles, parking in no parking zones, loading zones, yellow curbs, outside stall lines, or on sidewalks or grass, parking in fire lanes, handicap spaces, reserved parking spaces, or vehicles belonging to individuals who have had their parking privileges revoked. Costs and penalties will be paid by the owner of the vehicle.

The responsibility for finding a legal parking space rests with the vehicle operator. Lack of convenient space is not a valid excuse for violation of regulations.

Upon withdrawal, suspension, or expulsion from school, or resignation or termination from employment, parking permits must be surrendered to the Office of Public Safety.

Saint Mary of the Woods College monitors the parking areas but assumes no financial responsibility for the vehicles or their contents while parked on the SMWC campus.

Any motor vehicle abandoned on college property is subject to removal and impoundment at the expense of the owner or operator. Vehicles that are not currently licensed, not in obvious operating condition, or are out of service for 30 days or more will be considered abandoned and subject to ticketing and removal. Any unregistered vehicle is subject to ticketing and towing at any time. All expenses incurred will be the responsibility of the owner. Saint Mary-of-the-Woods College assumes no liability for any damage incurred during or after towing or immobilization.

Verbal or physical abuse of public safety personnel by employees or students will not be tolerated. Violators will be reported to the director of human resources or the Office of Student Affairs. Physical abuse of public safety personnel may result in termination of employment or in suspension or expulsion from the College.
