

SAINT MARY-OF-THE-WOODS
COLLEGE

Legacy Ring Initiative Letter of Intent

The Saint Mary-of-the-Woods College ring is more than a piece of jewelry. It honors academic success and sacrifice while demonstrating the pride and loyalty shared by all who wear it. This distinctive ring is a powerful reminder of personal growth and unforgettable friendships. It represents a tangible bond linking generations of alumni and students to their beloved Woods.

As a proud alum, it is my desire to continue the legacy that forever binds me to the Woods ring tradition by donating my Woods ring to the SMWC Legacy Ring program. Once received, my ring will be eligible to be awarded to a deserving student with financial need as early as the next Ring Day. Neither I, nor my family, will have influence on the student recipient selected by the ring selection committee appointed by the president.

By signing this Letter of Intent, my name will be included in the annual Honor Roll of Donors as a member of the Legacy Ring Circle.

- By checking this box, I request that my gift remain anonymous, meaning my name will not be included in the Honor Roll of Donors or other publications celebrating Legacy Ring commitments and gifts.

By signing this agreement, it is my intent to satisfy the intentions stated above, contingent on my continuing ability to fulfill them.
