

College Computing Policies

Theft or other abuse of college computer facilities and resources, including but not limited to:

Unauthorized entry into a file to use, read, or change the contents, or for any other purpose;

Unauthorized transfer of a file;

Use of another individual's identification and/or password. This includes, but not limited to, use of technology to obtain passwords or private information (e.g. use of specialized keyboards to obtain faculty specific information or passwords);

Use of computing facilities and resources to interfere with the work of others;

Use of computing facilities and resources to send obscene or abusive messages;

Use of computing facilities and resources to interfere with normal operation of the SMWC computing system;

Use of computing facilities or resources in violation of copyright laws;

Violation of all other college computing policies not specifically described in this document.
For the full college Computing Policy see Appendix I.
